About Us

Founded in late 2017 as a 501(c)3 registered non-profit, the CCO strives to connect the community through music and music education. Concerts feature bits of context and inspiration for orchestral compositions as they relate to history, society, world cultures, other art forms and sometimes even science. With the absence of any other orchestral or string groups in Coppell or CISD, the CCO is proud to fill this need and enrich the lives of Coppell residents & beyond. We are currently accepting donations, help with fundraising, and the logistics of running a community performing arts organization. All donations to the Coppell Community are tax deductible.

Tax exemption approved by the IRS on 9/21/2017 – Federal Tax ID 82-0647996
